

Certified Health IT Product List (CHPL)

The CMS EHR Certification ID shown represents the certified health IT products (Modules) listed below that collectively meet 100% of the Base EHR Definition for the specified CMS reporting year. Submit this ID where required when participating in applicable programs (e.g., Quality Payment Program, Medicare Promoting Interoperability Program).

* Please check any program-specific requirements to confirm the CMS EHR Certification ID includes all necessary products, such as additional Health IT Modules that may be needed to report objectives and measures under the Promoting Interoperability program.

CMS EHR Certification ID: 2025CHF6HAG7CT1

Listing 1
